

# One-Day Seminar on the Book of Revelation

For the Christian, the Book of Revelation is both a joy and a blessing to read and study because it contains some of the most comforting and reassuring passages in the Bible. One cannot read this Book of Revelation and not feel their soul and spirit lifted into the very presence of God, to have their first love for Christ again reignited and their spirit stirred with a passion to share with everyone the good news of the gospel of Jesus Christ.

Though this one-day seminar explores the chronological events in the Book of Revelation, the main focus of this seminar is on the blessed hope and assurance we have in Jesus Christ and the importance of sharing the gospel.

In an endeavour to help participants better understand and receive the intended blessings in the Book of Revelation, the seminar uses illustrations and stories (some humorous) to explain the historical and cultural background to various passages.

This one-day seminar also gives opportunity to people who want to study and ask questions about the Book of Revelation in some depth, but don't have the time at the moment to take classes.

Not only will the participants be inspired and blessed at the end of the seminar but they will receive by email
